happy
LABOR
day

To the people of the 8th District! As Summer draws to a close, I am looking forward to all that all that Autumn has to offer in the way of activities for the people of Milwaukee County! I hope I have the opportunity to see you out and about the neighborhood!

Recent events of the past few weeks have propelled me to register my public dismay and extreme personal disappointment in the hate-inspired events that have occurred here in our beloved America.

We should all respect freedom of responsible speech and peaceful assembly. However, using these two methods to advance intimidation and extreme and repugnant ideology is distressing. The malignant growth of hateful behavior, such as in Charlottesville, VA are reminiscent of the torch-lit parades of the 1930's held in fascist Nuremberg, Germany. The following day, one counter-protester was killed, scores of others injured, when an apparent unhinged social misfit rammed his vehicle into a group of bystanders. Two police officers were indirectly killed in the chain of events as well. What we have been witnessing is nothing less than the unraveling of a portion of our social fabric.

We should all remember that evil will always prevail as long as good men and women remain on the sidelines.

Furthermore, while I am writing this message the terrible news of Hurricane Harvey is affecting the lives of our fellow Americans in the Gulf region. One of the few positive effects is how many citizens have come out to assist their relatives, neighbors, and fellow Americans. We truly can be proud of the generosity and caring of the American people. In the days ahead, both secular and non-secular agencies and organizations will solicit volunteer talent and monetary help for those in need. None of us can do everything, but we all can do something to help those in need.

Here at the County Courthouse, I am busy and getting busier—but I love every aspect of representing the 8th district. The County Executive has appointed me to his newly created “retirement sustainability task force,” and I am one of the two Supervisors appointed to this twenty member group. We will study and ultimately make recommendations regarding the future of our County pension system.

Beginning in October, we will start the annual task of creating a County budget for calendar year 2018. The County Executive has forecasted a fiscal deficit of about \$43 million dollars. He has held three public “listening sessions,” and I have attended two to hear what the people of Milwaukee County are saying. Our total budget is \$1.1 billions dollars annually. I want to know your priorities going into this process, and I hope you will keep me informed.

Senior Centers

Much concern has been expressed by our senior citizens to my office regarding the senior meal program and various kind of programming conducted at our various senior center facilities. Currently, we have no plans to close any of our senior centers!

We hope that we can continue to get grants and maintain our level of programming for our seniors.

This includes seniors like my wife and your truly. Please remember, I'm a phone call away when you have a question about County activities or need services. Peace, joy, and blessings to you.

Keeping you informed about aircraft noise.

Milwaukee County Home Repair.

The Milwaukee County Housing Division provides a home repair program using Federal CDBG and HOME funds in County communities excluding West Allis and the City of Milwaukee. The program offers low interest and 0% interest loans to income qualified homeowners to make repairs, correct code violations, make modifications for accessibility, and eliminate lead paint hazards. Staff provides clients with a lead risk assessment, a detailed scope of work, and bids out work to be done. Homeowners receive a loan and sign contracts with approved contractors selected by the owner that are cost reasonable. After satisfactory completion, the County pays contractors from loan funds and the owner pays the county back over a period of several years. Listed below are income limits based on household size. Please call **414-278-4917** if you are interested in applying for the program.

Household	Gross Annual		
Size	Income (2016)	Size	Income (2016)
1	\$41,100	7	\$46,950
2	\$46,950	8	\$52,800
3	\$52,800	9	\$58,650
4	\$58,650	10	\$63,350
5	\$63,350	11	\$68,050
6	\$68,050	*** (HOME Program has a Maximum Home Value, \$182,875)	

South Milwaukee Police Department Announcement:

The South Milwaukee Police Department is seeking to promote understanding improved relationships between the department and the community. To this end, we are seeking citizen participation in a Citizen's Academy. This academy is designed not to train those who attend to become police officers, but rather to provide information that will help enhance understanding of how the Police Department performs its duties and responsibilities.

This 10 week program is set to begin in September. It will be held once a week for 3 hours during the evening. Citizen participation in this program is encouraged. We at the Police Department are committed to a frank and forthright dialog about the topics covered in the Academy curriculum.

For more information and an application, please contact Lt Chad Milow at (414) 768-8060 or at milow@smwi.org

Thank you.

Chief Ann M. Wellens

Police Chief Ann Wellens to Retire

South Milwaukee Police Chief Ann Wellens is retiring effective Jan. 19, 2018 — 30 years after she started in law enforcement and more than 28 years after she began at the South Milwaukee Police Department. Ann has served admirably as South Milwaukee's chief for more than 12 years. Please join me in wishing Chief Wellens well as she begins the next chapter of her life, and in thanking her for her hard work in leading a department that has rightfully earned the respect of many others across the state. She leaves a legacy of dedication, integrity and professionalism that will be hard to match.

— Mayor Erik Brooks

SOUTH MILWAUKEE 2017 Public Safety Referendum

WHAT IS ON THE BALLOT TUESDAY, NOVEMBER 7, 2017?

The South Milwaukee Common Council has approved an operating funds referendum question asking taxpayers to increase the tax levy by \$616,641 to maintain current paramedic services and hire two additional police officers. The special election will be held on Tuesday, November 7. If approved by voters, homeowners would pay an additional \$52 per year for every \$100,000 of their home's value starting in 2018 and beyond.

The formal resolution requesting permission to exceed the state revenue limit will appear as follows on the November 7 ballot:

Under state law, the increase in the levy of the City of South Milwaukee for the tax to be imposed for the next fiscal year, 2018, is limited to .09%, which results in a levy of \$10,774,142. Shall the City of South Milwaukee be allowed to exceed this limit and increase the levy for the next fiscal year, 2018, by a total of 5.73%, which results in a levy of \$11,381,095?

WHY ARE WE PROPOSING THIS REFERENDUM NOW?

As South Milwaukee seeks to maintain its strong public safety services it faces a growing budget gap — as the demand for these services continues to rise, funding from current sources is either stagnant or decreasing.

The City must take action if it is to preserve locally provided paramedic services into the future. The City has also identified a need for additional police officers to deliver on the department's mission and address growing public safety needs.

We are responding directly to community input.

The City of South Milwaukee evaluated several funding options to maintain the first-class fire and police services residents have come to expect. As part of the decision-making process, the City solicited feedback via a community-wide survey. More than 1,350 residents responded, with the majority supporting an operational referendum.

Fall Adopt-a-Beach Clean-up Sept.

The Friends of Grant Park and Alliance for the Great Lakes will sponsor a beach clean-up at Grant Park Beach on Saturday, Sept. 16th from 9 am to noon. If you can join us for an hour or three, come on down! We'll provide a vinyl glove, a trash bag, bug spray and lemonade. You bring your good humor and determination to *Keep It Clean!* Register to participate at greatlakesadopt.org and search for the site *Grant Park Beach: South of Playground to Oak Creek Jetty.*

Registration helps us plan for supplies needed.

The Alliance for the Great Lakes works to protect the Great Lakes for today and tomorrow. They involve tens of thousands of people each year in advocacy, volunteering, education, and research to ensure the lakes are healthy and safe for all.

We hope you can help us out. See you there!

Lake Michigan Trail Marathon

We welcome runners participating in the **Lake Michigan Trail Marathon** which winds its way through Grant Park on **Sunday, Sept. 3rd**. We will be staffing a hydration station near the golf course clubhouse. Participants can register for the marathon, half marathon, 50K, or 20 mile "training run" at <http://lakemichiganmarathon.com>. A portion of the proceeds benefit the Friends of Grant Park
